

Airport Shuttle and Parking/Hotel Access Information

2022 PCA Convention

Airport Shuttle Service

Complimentary shuttle service to the convention hotel is available from Appleton International Airport. If at all possible, please arrange for the shuttle well in advance of your arrival by calling the hotel at (920) 733-8000 and providing your arrival time, airline and flight number. You can also arrange for shuttle service by emailing tdoberstein@appletonPvh.com.

Parking and Hotel Access

Hotel Parking is available for under \$10 per day in a lot directly across the street from the hotel, with entrance on Superior Street. In and out privileges can be arranged at the hotel's front desk, and payment is made by credit card, when you leave the parking lot.

There is a sky bridge on the top level of the garage, with an escalator down to the hotel lobby. There is also an elevator in the parking garage that can take you to street level where you can cross the street and enter the hotel, though there are several steps into the hotel. There also is a lift available at this entrance.

For those with accessibility issues, or who would prefer to unload directly into the hotel, you can stop at the main entrance on College Avenue, and unload. Currently, there are no bellhops available to assist or watch your items while you park, though they should be safe. PCA is working with the local convention and visitor's bureau and should have a local volunteer available from 12:00 PM until 5:00 PM on both Tuesday and Wednesday afternoons and this person can watch your belongings for you while you park.

Please direct any questions to Conventiondirector@paperweight.org.
